The Various Flavours of Coffee Oct 16 2021 It is a cup of coffee that changes Robert Wallis's life — and a very bad cup of coffee at that. The impoverished poet is sitting in a London coffeehouse contemplating an uncertain future when he meets Samuel Pinker. The coffee merchant offers Wallis a job employing his palate and talent for words to compose a “vocabulary of coffee” based on its many subtle and elusive flavours. As Willis finds himself falling hopelessly in love with his coworker, Pinker's spirited daughter Emily. Their love is tested when Wallis is dispatched on a journey to North Africa in search of the legendary Arab mocca. As he travels to coffee's fabled birthplace — and learns the fiercely guarded secrets of the trade — Wallis meets Fikre, the defiant, seductive slave of a powerful coffee merchant, who serves him in the traditional Abyssinian coffee ceremony. And when Fikre dares to slip Wallis a single coffee bean, the mysteries of coffee and forbidden passion intermingle...and combine to change history and fate.

Jazz, Perfume and the Incident Jan 07 2021 In Jakarta's gleaming center a man and a woman watch each other from

adjoining skyscrapers. The man, a journalist, has on his desk reports he doesn't dare publish of a massacre in East Timor. He contemplates the demands of truth and confronts the split in his world between a sophisticated urban life where the women waft by in signature perfumes, and the primitive oppression of Indonesia's army state in East Timor. Only jazz mediates. A music of raw emotion and powerful refinement, urbane yet born in the growl and moan of generations of slaves, jazz is not literal, but absolutely true. So too this novel, which defied Indonesia's regime of censorship and made available, in its pages, the heavily censored reality that journalists dared not report. In "Jazz, Perfume and the Incident," Seno Gumira Ajidarma combines the surreal and the actual in a way that forever changed Indonesian literature and political discourse.

Lagom Nov 24 2019 Step aside Hygge. Lagom is the new Scandi lifestyle trend taking the world by storm. This delightfully illustrated book gives you the lowdown on this transformative approach to life and examines how the lagom ethos has helped boost Sweden to the No.10 ranking in 2017's World Happiness Report. Lagom (pronounced 'lah-gom') has no equivalent in the English language but is loosely translated as 'not too little, not too much, just right'. It is widely believed that the word comes from the Viking term 'laget om', for when a mug of mead was passed around a circle and there was just enough for everyone to get a sip. But while the anecdote may hit the nail on the head, the true etymology of the word points to an old form of the word 'lag', which means 'law'. Far from restrictive, lagom is a liberating concept, praising the idea that anything more than 'just enough' is a waste of time. Crucially it also comes with a selflessness and core belief of responsibility and common good. By living lagom you can: Live a happier and more balanced life Reduce your environmental impact Improve your work-life balance Free your home from clutter Enjoy good food the Swedish way Grow your own and learn to forage Cherish the relationships with those you love

She has worries and fears, hopes and desires. She is troubled; she is angry. Above all, she is lonely. She may be someone you know. She may be you. In John Marsden's acclaimed debut novel, she

tells her story, with humour and insight, with sensitivity and strength, with painful honesty. You will never forget her. Supernova Dec 26 2019 *Supernova: The Knight, The Princess and the Falling Star* presents a series of intertwined and unconventional love stories, straight and gay, with a bit of science and spirituality added to the mix. The major characters are young, urban, and technologically highly aware. They are caught up in major forms of contemporary social conflict. The work has been highly acclaimed. The poet Taufiq Ismail has written: "A renewal has taken place in Indonesian literature over the past decade. *Supernova* is an intelligent, unique and truly exciting exploration of science, spirituality and the nature of love." The literary critic Jacob Soemardjo suggests: "This is an attractive novel by a young writer. It is an intellectual work in the form of a work of pop art, set in the real world. It opposes old values with new ways of understanding, so that readers can see the world in a different way."

The Cambridge Companion to Montaigne Feb 08 2021 Michel de Montaigne (1533–1592), the great Renaissance skeptic and pioneer of the essay form, is known for his innovative method of philosophical inquiry which mixes the anecdotal and the personal with serious critiques of human knowledge, politics and the law. He is the first European writer to be intensely interested in the representations of his own intimate life, including not just his reflections and emotions but also the state of his body. His rejection of fanaticism and cruelty and his admiration for the civilizations of the New World mark him out as a predecessor of modern notions of tolerance and acceptance of otherness. In this volume an international team of contributors explores the range of his philosophy and also examines the social and intellectual contexts in which his thought was expressed.

Dragon Bones Jun 19 2019 When the body of an American archaeologist is found floating in the Yangzi River, Ministry of Public Security agent Liu Hulan and her husband, American attorney David Stark, are dispatched to Site 518 to investigate. As Hulan scrutinizes this death—or is it a murder?—David, on behalf of the National Relics Bureau, tries to discover who has stolen from the site an artifact that may prove to the world China's claim that it is the oldest uninterrupted civilization on earth. This artifact is not only an object of great monetary value but one that is emblematic of the very soul of China. Everyone—from the Chinese government, to a religious cult, to an unscrupulous American art collector—wants this relic,

and some, it seems, may be willing to kill to get it. At stake in this investigation is control of China's history and national pride, and even stability between China and the United States. The troubled Hulan must overcome her own fears of failure, while David tries desperately to break through the shell that has built up around his wife. As Hulan and David are enmeshed in international schemes for power and the turbulence of their own relationship, these hunters after the truth become the hunted—in a fast-driving narrative set against the backdrop of the building of the Three Gorges Dam, the largest and most expensive project China has undertaken since the Great Wall and the subject of great international debate. It is here, in the heart of the Three Gorges, that David and Hulan will battle their enemies and their own natures to see who will win China's dragon bones. *Dragon Bones* combines ancient myth with contemporary anxieties concerning religious fanaticism and terrorism to tell a story of love, betrayal, history, ecology, greed—and gory murder.

Of Bees and Mist Nov 17 2021 Erick Setiawan's richly atmospheric debut is a beautiful, engrossing fable of three generations of women in two families; their destructive jealousies, their loves and losses, their sacrifices and deeply rooted deceptions, and their triumphs. *Of Bees and Mist* is a fable of one woman's determination to overcome the haunting magic that is created by the people she loves and the oppressive secrets behind their broken lives. Raised in a sepulchral house where ghosts dwell in mirrors, Meridia spends her childhood feeling neglected and invisible. Every evening her father vanishes inside a blue mist without so much as an explanation, and her mother spends her days beheading cauliflowers in the kitchen. At sixteen, desperate to escape, Meridia marries a tenderhearted young man. Little does she suspect that his family is harboring secrets of their own. There is a grave hidden in the garden. There are two sisters groomed from birth to despise each other. And there is Eva, the formidable matriarch whose grievances swarm the air like an army of bees—the wickedest mother-in-law imaginable. Erick Setiawan takes Meridia on a tumultuous ride of hope and heartbreak as she struggles to keep her young family together and discovers long-kept secrets about her own past as well as the shocking truths about her husband's family.

Mind Platter Mar 29 2020 *Mind Platter* is a compilation of reflections on life as seen through the eyes of an educator, student, and human who experienced her early days in silence. It is written in the words of a woman who came from Lebanon to Canada at the age of sixteen and experienced what it was like to have fate push her to a place where she didn't belong. It is written in the voice of every person who has felt unheard, mistreated, misjudged, or unseen. The book contains over 200 one-page reflections on topics we encounter in our everyday lives: love, friendship, hurt, inspiration, respect, motivation, integrity, honesty, and more. *Mind Platter* is not about the words it contains, but what the reader makes of them. May this book give a voice to those who need one, be a crying shoulder for those who yearn for someone to listen, and inspire those who need a reminder of the power they have over their lives.
